APRIL: IT'S ALL ABOUT SURRENDER

Week 10

Thus we come to the challenge of lordship. It is a choice of who will be in control in our lives. Will we seek to be in charge? Will we even try to do the right thing in our own strength? Or will we surrender to God's love, presence, and power? Will we live our lives in lonely frustration and rebellion, or will we choose partnership with the King? Will we allow Jesus to be Lord of our lives?

Review Memory Verse: Jer 31:3, Ps 34:8,

Far too many of us carry huge burdens of care and worry that weigh us down and prevent us from enjoying the peace of God's presence. Jesus invites us to bring our burdens to Him. Our part in this process is to choose to release these burdens to Him.

Read Matt 11:28-30

Why is it important for us to go to Him? What can be one thing in your life today that you are willing to take to Jesus? Why?

Read Matt 6:24-34

What is this story telling us about God's relationship with us? How does verse 33 &34 relate to this story?

Read Phil 4:13, 19

How can you explain God's goodness towards you?

The practice of releasing or surrendering the issues of lives to God's control transforms our attitudes and our perspectives. It gives God room to be Lord in our lives. It forces us to recognize our role in contrast to His. It helps us to focus on the things and activities that are appropriate for us while allowing God to be in control of the details of our lives.
